Local Area 911 Implementation

List all individual local areas covered by this report (e.g., Lee County, Virginia):
Glenwood Telephone Company is one of four exchanges serving Wheeler County, GA.

For each area listed above, identify the emergency response point to which calls are now being routed.

We were authorized by the County Commissioners to forward all calls to the Sheriff's Office. A copy of the letter giving that authorization and the phone number to be use is attached. We completed our testing on July 11, 2002 and advised the sheriff's office that the testing was complete at that time.

Dear Ms. O'Brien:

In response to the Federal Communications Commission's Fifth Report and Order requiring local exchange carriers to route 9-1-1 calls to jurisdictions that do not have 9-1-1 service we are requesting that (912) 568-1483 located at The Wheeler County Sheriff's Office be designated as the default routing number when 9-1-1 is dialed from a telephone in Wheeler County.

This phone number is manned 24 hours a day, 7 days a week, 365 days a year. The Sheriff's Office personnel will transfer or dispatch all 9-1-1 calls for service according to jurisdiction or type of emergency.

Wheeler County understands that no Enhanced 9-1-1 features such as the caller's address and telephone number will be provided. We also understand that calls using the abbreviated dialing code 9-1-1 will not coincide with city or county boundaries and may require transfer to emergency service providers in other jurisdictions.

Wheeler County is authorizing Glenwood Telephone Company to route calls using the abbreviated dialing code 9-1-1 on July 15, 2002.

If you have any questions or need more information please contact Elaine T. Clark, County Clerk at (912) 568-7135. Thank you for your assistance.

Sincerely,

Isaac J. Culver, Jr., Chairman
Board of Commissioners
Wheeler County, GA
